

As I write this little message, we only have just over a week before we break for Christmas! I would like to take the opportunity to thanking all of our clients and partners for supporting us over the course of this year - it is very much appreciated. I hope that in turn the enhancements we have completed make it easier for you to run your swim school.

In the 21 years I have been involved in supporting swim schools there has always been change - the last 2 years have been no exception. I don't expect 2022 to be any different - we have our development plans in place, many of them driven by our users, and we look forward to releasing several enhancements during 2022 to benefit you!

For now, all I want to do is once again thank you for your support and wish you, your families and teams a very Merry Christmas and all the best for 2022!

Our Christmas Competitions

We are pleased to announce that Molly Dixon, Susan Murrell and Tanith Hicks were winners of our eco friendly Christmas competition, and all now have their prizes! Passenger Clothing plant a tree for every order they receive, so as well as Molly being super snug in her new Sherpa lined changing robe, a new tree is growing!

Lynne Hunter was the winner of our second competition, to win an STA Safety Award for Teachers Course for up to 4 people, courtesy of SJ Training Solutions.

Keep an eye on our social media for news, competitions and general pieces of interest.
